

Smarter locker solutions for your workplace

 **DEXION**[®]
Smarter thinking.

dexion.com.au

Dexion's new range of Agile Lockers with state of the art Dynamic Locking, offers one of the most advanced locker solutions available.

Dexion can provide a tailored turnkey solution capable of meeting the growing demands of your workplace, now and into the future.

- ✔ Ideal for ABW (activity based workplace) offices, universities, hospitals, retail, libraries and commercial buildings
- ✔ 3 levels (Gold, Silver & Bronze) of Dynamic Locking solutions available, to suit a variety of security requirements and budgets
- ✔ Dynamic Locking solutions also available for Dexion's range of Compactus, Cabinets and other products
- ✔ Fully customisable locker design with your choice of Laminex exterior colours and finishes
- ✔ Gold Level Dynamic Locking allows for integrated smart sensors and management under a single software platform that integrates with MS Active Directory / BMS
- ✔ Wide range of optional accessories including attached seating, mail slots, coat hangers and locker labels
